

Bosque Ecosystem Monitoring Program

# 2024 Crawford Symposium

Bosque Ecosystem Monitoring Program

# 2024 Crawford Symposium

**5:15-5:50pm** - Check in & Project Session

**5:50pm** - Opening Remarks

- **Welcome**  
Dave Hanson, UNM Biology
- **Land acknowledgement**  
Shelby Bazan & Rafael Martínez de León, BEMP
- **Intro to BEMP**  
Zoe Wadkins Daniels, BEMP

**6:00pm** - K-12 Students

- Mission Avenue Elementary School
- Horizons Albuquerque
- College & Career High School
- nex+Gen Academy High School

**6:25pm** - UNM Undergraduate Interns

- **Becoming an Advanced Intern for BEMP**  
Tara Carter, Emily Phan, & Makayla Ortega
- **Monitoring Cottonwood Demographics Across BEMP Sites**  
McKenzie Williams & Erica McGrath

**6:35pm** - UNM Graduate Student

- **Changes in Drying Patterns at an Urban Wetland in Albuquerque, New Mexico**  
Wes Noe

BEMP's work monitoring our local bosque and bringing environmental education to our community is made possible by support from our partners:

Bernalillo County Open Space	Pueblo of Santa Ana
Bosque del Apache USFWS National Wildlife Refuge	Pueblo of Santo Domingo
City of Albuquerque Open Space	Rio Grande Phenology Trail
Ciudad Soil and Water Conservation District	Sevilleta Long Term Ecological Research
Greater Rio Grande Watershed Alliance	Sevilleta USFWS National Wildlife Refuge
McKee/Crawford Foundation	South Central Climate Adaptation Science Center
Mid Rio Grande Stormwater Quality Team	University of New Mexico Department of Biology
Middle Rio Grande Conservancy District	US Army Corps of Engineers
National Hispanic Cultural Center	US Bureau of Reclamation
National Science Foundation	US Environmental Protection Agency
New Mexico Interstate Stream Commission	Valle de Oro USFWS National Wildlife Refuge
New Mexico State Parks	Valencia Soil and Water Conservation District
Nusenda Credit Union	Wilderness Society
Pueblo of Sandia	Water Foundation
